1 Revision

This policy is to be maintained and reviewed by the AUSC Committee.

2 Application

This policy applies to all boat sitters who attend dive events.

3 Boat sitter requirements

Boat sitters do not need to have the full requirements as a boat handler, however there are still minimum requirements should they need to operate the boat vessel in an emergency.

Consequently, boat sitters must:

- Be familiar with the club boat(s). This includes awareness of engine ignition, basic manoeuvrability, and consoles / gauges.
- Been on the club boats for a minimum of five previous dive events (to ensure there is some experience).

4 Boating credit

If a member did not plan on diving and is volunteering their time, then they are entitled to a free boating credit.

Boating credits have an expiry of twelve months.

(Reference: Motion of AUSC Committee Meeting 14/07/2015)

5 Register

Boating credit register is on the finance spreadsheet, that is maintained.
