### Presidents Report

- See attached report
- Without general members we don't have a club, people not on committee have been helping out.

### Heather from SDFSA

SDFSA started in 1968, the government was moving to regulate scuba diving. Shops & Clubs got together, could be a self regulating sport.

Today we're involved in issues around infrastructure, such as jetties. We have a seat now on 5 jetties that we're going to be involved with.

Working on cuttlefish and continuing the ban on fish.

Two asks from AUSC:

- Become an associate member as a club
- Sign up as individual members

## Vice Presidents Report
