

Secretary's Report 2023-2024

Peter Lesty

Second year on the new system. The rollover was a little delayed by AUSF while they worked out the dates. We used the same strategy as last year to bolster our student numbers by offering them free membership. I would encourage the new committee to continue this into the future.

As of writing this report, we have 121 members sign up, which is an increase from 110 the year before.

We have seen a drop in the ratio of student to non-student members, with student memberships still in the majority. While this looks worse off on paper, the members we do have are more active, already have dive certifications and participate more in club activities. It's great to see some new faces in the club!
